Cooking Instructions

TO FRY: Place bacon slices in single layer in unheated frying pan—do not overlap slices for best results. Cook slowly over low heat, turning slices frequently. Cook to desired crispness and immediately remove from pan. Drain on paper towels.

TO MICROWAVE: Place bacon in single layer on paper towels on microwave-safe plate. Cover with paper towel and cook on HIGH to desired crispness: approx. 1-2 min. for 2 slices, 2-3 min. for 4 slices.
